

APPLICATION FOR REZONING/PUD/PUD AMENDMENT

WHY REZONE?

Property owners of Putnam County find that their current zoning district does not allow them to use their property in the fashion they would like. The rezoning process grants property owners the ability to seek a zoning designation that fits their needs. However, there are rules, which dictate whether a property can be rezoned.

WHAT IS A PUD AMENDMENT

A Planned Unit Development (PUD) is a zoning designation for developments that which meet the general intent of the Land Development Code but, differ in or more respects from the usual application of standards in the code. PUDs are tied to a development agreement which controls what can and cannot be done with in the PUD. A PUD amendment is needed when the developer would like to deviate from the PUD's current development agreement.

THE PROCESS

1. Call planning staff at (386)329-0491 about your interest in a Rezoning/PUD Amendment application.
2. Submit all required materials to the Planning & Zoning Division complete and correct.
3. The application will be given a case number and scheduled for two hearings:
 - a. Planning Commission (PC)
 - b. Board of County Commissioners (BOCC)

Note: The current schedule for the PC & BOCC is on the planning website.

4. Staff will notify:
 - a. All property owners within 300 feet of the subject parcel via US Mail.
 - b. Post advertisement in the local newspaper with the case number, purpose of the case, 911 address, and the hearing dates.
 - c. Post signs along the right-of-way of the subject parcel(s) as notice of the public hearings.

Staff will conduct at least one site visit to the parcel that is the subject of the application. While staff will only be reviewing the site as it pertains to the rezoning, you may request that you be present when the site visit occurs. When only a piece of a larger parcel is subject to the rezoning, such a site visit necessarily includes the entire parcel and not just the portion that is the subject of the rezoning. Such site visits will be conducted during

regular business hours (8:30 am to 5:00 pm Monday through Friday) between the date of submittal of a completed application and the date of the hearing. The express purposes of

the site visit is to place signs noticing the hearing, verify information submitted with this application and complete an analysis of the proposed rezoning for consistency with the Comprehensive Plan and compliance with County Ordinances.

Note: Submittal of a completed application represents express permission to Department staff to enter onto the property to conduct a site visit. Denial or refusal to grant such access shall be grounds rejecting the application.

5. You will receive a copy of a staff report, prior to the Planning Commission public hearing, which analyzes the application for consistency with the applicable objectives and policies of the Putnam County Comprehensive Plan and County Ordinances, and makes a recommendation to the Planning Commission.

Note: Once the application has been advertised for public hearing, if you withdraw the application or cause the hearing to be postponed, you are responsible for payment of the original application fee and any cost incurred by the County for additional public notices.

6. There will be two (2) hearings to review any requested rezoning:
 - a. The Planning Commission serves as an advisory committee for the Board of County Commissioners. The Planning Commission shall submit a written report to the Board of County Commissioners indicating whether the rezoning should be approved.
 - b. The Board of County Commissioners shall consider the recommendations of the Planning Commission, including the record but not limited to the Planning Commission hearing. The Board of County Commissioners shall make the final decision on the matter.
 - i. Both hearings will follow the same process:
 1. The case number will be called for discussion.
 2. Staff will present the staff report to the Commission.
 3. Those who are in favor will be given the opportunity to share their views and evidence. The applicant will be given the first opportunity to speak in favor of their application.
 4. Those who are in opposition of the application are given the opportunity to speak.
 5. The Commission or Board will close public comments and deliberate.
 6. After deliberation, the Commission or Board will vote. If the Planning Commission denies the application, the BOCC hearing will be unaffected. If the BOCC denies the application, the applicant will be notified of their right to appeal.
